If not, why not?

Western NC Association of Health Underwriters

We are dedicated to improving our members' ability to meet the health insurance and other related products and service needs of all Americans through education, advocacy and professional development. We are the professional association for health insurance agents specializing in the sale and service of all

health related policies. We represent the client and endeavor to make health insurance accessible for all of our state's residents. By educating our elected officials, we strive to avoid unnecessary legislation and the unintended consequences that often follows increased governmental involvement.

For Membership information, call Myrna Harvey 828-670-9145
